

**International conference  
Bucharest, 5 June 2015**

## **EdProf 2015 Professionalism in education**

### **EdProf 2015—Professionalism in education**

Teacher`s Training Department from Bucharest University of Economic Studies invites you to attend EdProf 2015.

The central theme of EdProf 2015 is promoting ideas that can lead to new approaches of economic education. *The conference is particularly focused, but not limited, on the following topics:*

- Initial and continuous training of teachers in the social sciences;
- Educational psychology;
- Information and Communication Technologies (ICT) in education;
- Education and social economy;
- Didactics in economic education;
- Educational organizations;
- Employability and career counseling.

*The conference aims to promote original articles of basic research results, case studies and best practices.*

**Conference Fee:** 100 lei (that includes conference map, cd with the full papers, published at Editura ASE, rated A2, with ISSN and coffee break). Accommodation and transport are supported by participants. Participation for students is free.

**Participation conditions:**

One participant can have only 2 papers. One paper can have maximum 3 authors. Authors shall register only on-line. We encourage the participation of university and preuniversity teachers, students and others persons interested in educational issues. The language of the conference is **English**. We are making steps in indexing the current conference in social and education sciences data base.

**Deadlines:**
